AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 83, Page 3, Section A, Line 36, by inserting after all of said Section and Line the following:  "29.390. 1. The state auditor shall have the authority to audit any public water supply district created under chapter 247 with excess annual revenues greater than twenty million dollars located in any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants in the same manner as the auditor may audit any agency of the state.  2. Beginning August 28, 2013, the state auditor shall conduct an audit of any public water supply district located in any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants with excess annual revenues greater than twenty million dollars. The audit shall be completed by March 15, 2014. The state auditor may request reimbursement from the public water supply district for the costs of conducting the audit. If the state auditor requests reimbursement, the public water supply district shall remit the payment to the office of the state auditor. The payment shall be credited to the Petition Audit Revolving Trust Fund created under section 29.230."; and	House		Amendment NO
